## More nurses sought to keep beds open

● POSITIVE NEWS AT ANOTHER PACKED-OUT PUBLIC MEETING

### Ladies Club support for hospital friends

AXMINSTER Hospital League of Friends is about to deposit a £800 cheque thanks to the generosity of Raymond's Hill Ladies Club.

Club members raised the money through a summer cream tea, raffles and a Christmas fayre.

A cheque was presented during the club's meeting on Wednesday February 4th in Woodbury

Community Hall.

HOSPITAL campaigners are cautiously optimistic that enough nurses and healthcare assistants can be found to reopen in-patient beds at Axminster Hospital.

Working with Northern Devon Healthcare Trust (NDHT) Axminster Hospital Action Group and Axminster Hospital League of Friends have embarked on a recruitment drive.

Staff is being sought for both Axminster and Seaton hospitals, the total needed being 11 trained nurses and 12 healthcare assistants.

The jobs advertised are on a standard 12-month NHS contract, and NDHT is convinced it will have enough work for those hired even if NEW Devon Clinical Commissioning Group (NEW CCG) decides to close the beds permanently later this year.

**£300,000 pledge**

Axminster Hospital League of Friends, having previously pledged £300,000 to keep the beds permanently, will pay for part of the salaries after having offered to help when NDHT transferred the beds to Seaton Hospital because of a lack of trained nurses.

The two campaign groups held a public meeting in Axminster Guildhall on Saturday, attended by 475 members of the public.

Axminster Hospital Action Group and Axminster Hospital League of Friends have two aims; bringing back the beds transferred to Seaton; convincing NEW Devon CCG that permanently closing in-patient beds in Axminster is a bad idea.

NEW Devon CCG says that concentrating a total of

## TOP STORIES FROM ALL THE OTHER EAST DEVON TOWNS

### AXMINSTER

## More nurses sought to keep beds open

**HOSPITAL** campaigners are cautiously optimistic that enough nurses and healthcare assistants can be found to reopen in-patient beds at Axminster Hospital.

Working with Northern Devon Healthcare Trust (NDHT) Axminster Hospital Action Group and Axminster Hospital League of Friends have embarked on a recruitment drive.

Staff is being sought for both Axminster and Seaton hospitals, the total needed being 11 trained nurses and 12 healthcare assistants.

The jobs advertised are on a standard 12-month NHS contract, and NDHT is convinced it will have enough work for those hired even if NEW Devon Clinical Commissioning Group (NEW CCG) decides to close the beds permanently later this year.

Axminster Hospital League of Friends, having previously pledged £300,000 to keep the beds permanently, will pay for part of the salaries after having offered to help when NDHT transferred the beds to Seaton Hospital because of a lack of trained nurses.

The two campaign groups held a public meeting in Axminster Guildhall on Saturday, attended by 475 members of the public.

Axminster Hospital Action Group and Axminster Hospital League of Friends have two aims; bringing back the beds transferred to Seaton; convincing NEW Devon CCG that permanently closing in-patient beds in Axminster is a bad idea.

NEW Devon CCG says that concentrating a total of 66 in-patients beds in East Devon to three hospitals will save about £500,000 a year.

The two campaign groups, however, say they have not been given any form of financial documentation that proves the claim.

## From the editor's chair Party time at Knowle!

**I CAN'T** recall a story that has stimulated such a reaction than the one we broke last week about the East Devon Alliance forming into an official political party and fielding at least 40 candidates to take on the Tory domination at East Devon District Council at the May elections.

Such was the importance of the story that I took the unusual decision of making it the front page lead on each of our six editions across East Devon.

**Pulman's View** had hardly hit the streets when my mobile started to ring. I must have fielded at least 15 calls before 11am on my way by train to London, and it soon became clear that my fellow first class passengers were getting a bit annoyed, prompting me to put the phone on silent before dealing with the calls at Waterloo.

Predictably we were accused of political bias. There was only one reason why we decided to give the story such prominence in all editions - news value. At no time since local government was reformed and East Devon came into power

had any group mustered 40 or more candidates to fight a local election under one umbrella. I don't live in East Devon so I can't be accused of voting for the East Devon Alliance. But I admire their determination to provide the electorate of East Devon with an alternative and their view that rather than moaning on the sidelines they decided to do something about it. That can only be good for local democracy.

This column is not anti-Tory (I have some very good true-Blue friends). But it is anti-arrogance - and I believe that's one of the major reasons why so many people are disillusioned with the current set-up.

Such stories, of course, fuel the rumour mill which has been working overtime with suggestions that some Tory councillors want to defect and others have been deselected.

We don't know whether they are true or not - but we are on the case.

And I was tickled that the East Devon Alliance members decided to throw a party last Saturday night - at Knowle!

### SEATON

## Mayor sets date for business summit

**A DATE** has been set for Seaton Town Council's summit with local business owners to discuss worrying trends of poor trading in the town.

Mayor Gaynor Sedgwick and fellow councillors stress that the town council do not have the answers to all the problems - but is keen to create unity and a working together approach.

The summit will take place in the Town Hall on Tuesday, March 3rd. One item expected to be high up on the agenda is potential changes to town centre pedestrian zones.

The town council issues permits for vehicular access Fore Street and Queen Street, on behalf of Devon County Council.

After continued concerns about the number of vehicles accessing pedestrianised zones, the town council was advised to stop issuing permits until the county council had reviewed criteria.

The matter arose at the January town council meeting, and it was decided that "the town council discuss any potential changes to the town pedestrianised zones at the proposed meeting with local businesses".

In the invitation to business owners, the town council said: "We are aware that trading is slow, and that these are worrying times for many."

"It is therefore important that the town council listens to your concerns."

"The reason for the meeting is to hear directly from business owners about the difficulties and challenges you face, and to identify the key issues they are concerned about."

"The town council does not have responsibility for all areas of the town but we can, however, represent businesses by taking issues of concern to the decision makers."

### HONITON

## Tower Cross plans set to be put on hold

**PLANS** to create a multi-purpose sports facility at Tower Cross on the edge of Honiton are set to be put on hold until at least the end of the year.

District council chiefs have been advised to look at alternative options before revisiting proposals for the ambitious development, just off the A35 between Honiton and Offwell.

Instead, efforts will be renewed to find new homes for some of Honiton's stretched sports clubs closer to the town.

Councillors are expected to endorse an action plan for improving sports facilities across East Devon, and particular emphasis has been put on finding new playing pitches in Honiton.

Once approved, the new playing pitch strategy (PPS) will be released for public consultation, during which time Honiton's sports leaders will be given the chance to make their own suggestions.

But it now looks likely that council chiefs will seek to develop existing facilities in the town, rather than invest in a brand new complex on its outskirts.

If the recommendations are endorsed this week, a steering group will spend the next year assessing practical alternatives to the Tower Cross project, which will be put to one side until at least December.

The possibility of moving to the site has been met with a mixed response from Honiton's sports leaders, many of whom are keen to expand facilities but have reservations about relocating outside the town.

Pitch provision is a major issue at Mountbatten Park, where Honiton's senior football and cricket teams currently share over-used pitches.

## OTTERY ST MARY Town bus service could be axed

**ELDERLY** residents in Ottery St Mary have spoken of their disappointment at the proposed axing of a key bus service in the town.

Regular users of the 381 Ottery town service say they will be deeply frustrated if Devon County Council decides to withdraw the route as part of its latest cost-cutting measures.

Community leaders have warned that losing the link, which currently circuits the town nine times a day, could lead to depression and other health problems for older residents forced to stay at home.

And Ottery's business community is also fearful that the cuts will make it even harder for shoppers to access the town centre, particularly during the winter months.

The 381 link currently operates six days a week, from Monday to Saturday, providing a direct link to Ottery Hospital and Sainsbury's, but council highways bosses have included the service among a raft of proposed cutbacks.

The council says axing the route will save an annual total of £15,681 and estimates that more than 13,000 passenger journeys will no longer be catered for each year.

A public consultation on the changes was launched last week, as part of plans to slash £1.7 million from the annual public transport budget over the next two years.

June Broadley, who makes use of the service for essential trips once or twice a week, said she would be "very frustrated and disappointed" if it stopped.

Mrs Broadley, 82, and her husband, 88, are unable to drive and rely on the 381, which stops just across the road from their home in Kings Avenue.

"We usually catch the 10:15am bus into town and are ready for the return from Sainsbury's at 11:04am - it works perfectly for us," she said.

"You cannot always be asking your family and neighbours to run you about. We would be very frustrated and disappointed if it stopped. It is also important to get out and see people, otherwise you can get cooped up indoors all day."

Town councillor Elli Pang, who is also the chair of the Ottery Later Life Forum, said many of the organisation's members make regular use of the 381 and have been very appreciative of the service.

■ IN WHITEHALL: Debbie Humberstone and the Deputy Prime Minister

# Deputy PM says Debbie 'is mental health hero'

By Anders Larsson  
[anders@tindlenews.co.uk](mailto:anders@tindlenews.co.uk)

DEPUTY Prime Minister Nick Clegg says that Axminster resident Debbie Humberstone is a "mental health hero".

Mr Clegg made the observation on Thursday of last week when Debbie was announced winner of Mental Health Hero Awards (south west).

The awards are in recognition of people who have done extraordinary things to help, support or inspire people with mental health conditions.

Debbie was nominated by her daughter (Jess Foster) for her work as the founder and co-ordinator of Axminster-based The Project, a charitable organisation supporting young people with mental health issues.

The Project also supports the parents/carers of the young people affected.

Debbie said: "I feel very touched to have been nominated for this award, and so proud to have won."

"It means a huge amount to have The Project recognised in this way, and I hope that winning this award will help highlight the importance of the work we are doing, and generally make people more aware of the issues around young people's mental health."

"Anyone and everyone can play a part in changing attitudes to mental illness, by speaking out and taking a stand against the stigma which surrounds it."

"I am inspired daily by the young people I work with, who show such courage and determination in

overcoming their mental health issues – they are the ones who really deserve the award."

The awards were also held to mark Time to Talk Day, encouraging people to take five minutes out of their day to talk about mental health and help bring it out of the shadows.

Time to Talk Day was launched by mental health anti-stigma campaign Time to Change.

Deputy Prime Minister Nick Clegg said: "I've been overwhelmed by the huge number of responses we've had for these awards and the incredible work going on to help other people in their darkest hours."

"Every single one of them is helping us win the fight to tackle the stigma and prejudice around mental health and build a fairer society where no one has to suffer in silence."

"In my eyes, they are all winners."

"Days like this are a reminder of the progress we have made in raising awareness of mental health, but we still have a long way to go."

"Today, we can all make a difference by giving just five minutes for Time to Talk Day and speaking out about mental health. It may be minutes to you but could make a world of difference for someone else."

## Hospital must 'return to normal'

■ FROM PAGE ON

66 in-patients beds in East Devon to three hospitals will save about £500,000 a year.

The two campaign groups, however, say they have not been given any form of financial documentation that proves the claim.

The threat of permanent closure of in-patient beds is a real one, but Dr James Vann of Axminster Hospital Action Group said it is pivotal to return to normal as soon as possible.

He explained: "The better shape we are in, the bigger chance for the beds to be kept in Axminster."

MP Neil Parish attended Saturday's meeting and told the crowd that he will discuss the East Devon community hospital situation when he and a group of fellow MPs meet Secretary of State for Health Jeremy Hunt this week.

NEW Devon CCG is currently consulting on its community hospital proposals.

The consultation ends in late February, but there is no date set for when a decision will be made.

A recruitment day will be held at Seaton Hospital today (Tue) from 6pm-9pm and at Axminster Hospital on Saturday February 14th from 10am-3pm.

League of friends treasurer Steve Holt told the Guildhall crowd: "If you know anybody anywhere who is a nurse, please spread the word."

● THE Lib Dem parliamentary candidate for Tiverton and Honiton, Stephen Kearney, issued a statement

after the meeting, saying: "I met Neil Parish and I am sure he wants the best for the community, but I do not trust his party with the future of the NHS and that includes the future of Axminster Hospital."

"Neil Parish admitted he intends to support the development of a Community Interest Company (CIC) for Axminster Hospital."

"After the CIC is set up and run efficiently, what will happen when the next round of tenders for commissions to deliver health services in Axminster comes around?"

"Here is food for thought. Large businesses will swoop in as soon as the work has been done, and it is successful as a direct result of the incredible efforts of the local volunteers and workers."

"They will spend a fortune on winning the tender if Axminster hospital can be profitable for them."

"The economies of scale will take over. Private health care will be developed to grow profit and enhance margins."

"Every time there is a tender a larger company will turn up."

"The name of the hospital might change to a famous brand."

A minority will profit and cash will drain from the area. We have seen the damage to communities economies as supermarkets have developed unchecked. A recipe for disaster for healthcare?"

"The NHS is simply not safe in the hands of the Tories or those who wish to profit at the expense of our healthcare service."

# Doctors on the run for new charity

A GROUP of local GPs are preparing for the Grizzly – Seaton's 20 mile multi-terrain race that's taking place on Sunday, March 1st.

They are running in support of new local health charity Eating With Dignity.

Eating with Dignity was founded by Devon GP Dr Joe Kent and Speech and Language therapist Sue Renyard,

with the aim to educate people of all ages about the importance of food for staying well, maintaining health and most importantly enjoyment of life.

They hope to raise awareness of the central role food plays in rehabilitation and care settings.

Sue Renyard said: "The ability to enjoy good, tasty food when

medically unwell can increase emotional wellbeing and add to quality of life".

Dr Kent agrees, saying: "The aim of the charity is to try and address something close to our hearts – trying to bring some happiness into peoples' lives at times when they are unwell and may have little other pleasure.

"Through our website

we strive to allow all patients and their carers access to something simple, absolutely fundamental to their existence but too often overlooked – good food."

To give visitors to their web site an inspiring range of nutritious and tasty recipes, Eating with Dignity teamed up with River Cottage, who have a

shared desire to increase the use of sustainable, seasonal and local ingredients for all to enjoy.

River Cottage have also provided cookery training for Carers through their unique River Cottage Chefs' School.

The partnership now seeks to work with local care homes, hospitals, carers and chefs/cooks involved in the provision of meals to those who are vulnerable or have poor access to tasty nutritious food.

Chris Griffin, Head of Education at River Cottage, said: "We believe that the work Eating with Dignity does is vital, especially when you see the positive impact that improving ones diet has on their health and wellbeing.

"We're proud to support this project through our Chefs' School and are in awe of this intrepid team for taking on such a beastly challenge!"

The Grizzly Challenge consists of 20 muddy, hilly, boggy,

beachy miles of multi-terrain running along the East Devon coast.

This contest attracts runners from as far away as Germany who

come to compete, have fun and get extremely muddy.

■ Dr Mark Welland, Dr Katie Seaver, Dr Roger Bramley and Dr Kent will be running in support of Eating With Dignity

## UKIP select local candidate

A FORMER transport manager from Honiton has been selected to represent UKIP in this year's general election.

Graham Smith, who now runs a maintenance business in the town, said he was "delighted and honoured" to be chosen to contest the Tiverton and Honiton constituency election in May.

Mr Smith went head-to-head with two other candidates during hustings at The Heathfield Inn last year, and came out on top after a members' vote.

A party spokesperson praised Mr Smith's "extraordinary zeal" and "political maturity" in helping to spread UKIP's message since joining the party last year.

Mr Smith is bidding to unseat

the Conservative MP Neil Parish, who won more than half of all votes cast in the 2010 election to claim victory.

The UKIP challenger said he would be travelling across the towns and villages of the constituency to listen to the views of residents.

Among his main political concerns are controlling the "unrestrained explosion of building" in East Devon, and giving more support to community hospitals.

He added: "We are driving party politics right now and the other parties can react to our initiatives.

"We listen to the issues that concern the people of this country and address these issues,

however contentious they may be."

## News briefs

### Appeal for road rage incident witnesses

POLICE officers are investigating a case of suspected road rage in Axminster. A blue Vauxhall Vectra was travelling along the A358 Chard Road at about 5.30pm on Sunday, December 21st last year. As the car reached the junction with Cherry Tree Road, an incident developed and a person is alleged to have damaged the car. A police statement said: "If you witnessed this, incident please contact police on 101 and quote crime reference number CR/132205/15."

### Burner fire

A WOOD burner fire in Axminster got out of hand and had to be extinguished by firefighters, who were called to the thatched property in Sector Lane just after 7pm on Monday, January 19th. One fire appliance from Axminster and one from Colyton were mobilised. Crews extinguished the fire using chimney gear and the area was checked with a thermal imaging camera.

### Threats to property

POLICE were called to an address in South Street, Axminster, on Saturday, January 17th after a 27-year-old local man allegedly made threats to damage property. Officers were called shortly after 9am, and a police spokesperson said: "This is being dealt with by a restorative justice approach and the man has apologised to the victim."

### £900 council curtains

AXMINSTER Town Council has resolved to spend approximately £900 on curtains for the Churchill Room upstairs in the Guildhall. The decision was made under Matters of Urgency during the town council meeting on Monday, January 12th, because the previous set of curtains fell apart when taken down for cleaning.

# Crunch time meeting for Chamber of Commerce

AXMINSTER Chamber of Commerce's future is expected to be decided during a crunch meeting for members only on Monday of next week.

The meeting was called during a stormy EGM in late January when the 70-year-old chamber came close to disbanding.

Chairman Lisa Lyman and her committee had decided to stand down and were set to formalise the closure because nobody else had come forward to take over. But former chairman Shane Morgan offered his services at the 11th hour to nominate himself as the new chairman.

A row about protocol ensued; Mrs Lyman claiming that Mr Morgan had come forward after the deadline; Mr Morgan claiming the deadline was not valid.

It was decided to call another meeting and inform all chamber members that Mr Morgan had been nominated for the chairmanship.

In a subsequent e-mail to members: Mrs Lyman recalled: "After heated disagreements regarding correct protocol, finances and Christmas Lights, we agreed not to resign, to adjourn and arrange another meeting to enable the membership to attend."

Nominations from other candidates will also be invited before the next meeting, and no funds in account will be allocated for the time being.

It had been agreed to give £3,500 to Axminster Christmas Lights Fundraising Association – which is independent of the chamber but made up of current members – should the chamber close.

But Mr Morgan's late nomination was a complete game changer.

Had the cheque presentation gone ahead, Mr Mor-

gan (or whoever takes over as chairman) would effectively have been left with a penniless chamber.

A decision was made to hold the cheque along with one for Axminster Tourist Information Centre.

Under Mr Morgan's chairmanship, the chamber changed strategy and bought its own Christmas lights instead of renting them.

Axminster Christmas Lights Fundraising Association strongly disagrees, however.

In an e-mail to members, Mrs Lyman said: "After

extensive research with neighbouring towns, they have concluded money is better spent hiring lights rather than purchasing them.

"The hire company is responsible for installation, removal, insurance, storage, repair/replacement etc."

"The displays can change each year remaining fresh and modern, ensuring the lights will all be working."

"Shane strongly disagrees with hiring and stated that money is much better spent purchasing lights as he had done."

■ THE efforts of 1st Axminster Scouts group chairman Sandra Joyce Wright were formally recognised when she was presented with The Scout Association's 30-Year Order of Merit award.

Assistant County Commissioner John Jarvis presented the award to Sandra, who has worked tirelessly for scouting in Axminster.

# Tourism brochure is in the pipeline

AXMINSTER Tourist Information (TIC) is preparing a magazine-style brochure to promote

Axminster and Axe Valley.

The publication will be ready for Easter, and will primarily be used to "sell the town to people

outside it".

Axminster TIC already has a selection literature for visitors already here, but the brochure will be used to lure people, who have not yet made up their mind, to Axminster.

Sarah Crook of Axminster TIC said: "In the past we had an Axe Valley brochure which we were not in control of.

"But it disappeared and there has been nothing specific to replace it since.

"This will be a quality brochure giving information concerning local events, attractions and amenities as well as being a comprehensive guide to the beautiful Axe Valley.

"It will showcase Axminster as a market town with unique, independent businesses and will, hopefully, encourage further visits to our town, boosting the local economy.

"The magazine will be distributed widely through other local TICs and sent to prospective visitors following enquiries.

"Understandably we have had much interest from local businesses to be included within the

■ The grand opening of the new development at Little Hemphay with project leader Geoff Pook (centre)

## Delight at new homes

by Kevin Fahey

TO finally get their own home in Beer was a dream come true for Andy and Laura Wilkins.

The couple and their two children Mollie (10) and Evie (7) took possession of one of the seven new homes at Little Hemphay on Saturday.

For the past six years they had been living with Andy's mum and even had a spell in Exeter to be closer to his work but admitted they hated it and couldn't wait to escape back to Beer.

"It is so nice to be staying in Beer and this is

perfect," said Andy.

"I am not sure how many generations of my family have lived in the village but my great-grandparents were here and this is where we wanted to live and bring up the girls.

"Houses are not getting any cheaper here so we are really pleased that the Beer CLT has built these houses and made them available to local people."

The Wilkins family delight was shared by former coastguard and Beer-born Simon Hoare and his partner Hannah

Edwards, along with their two-year-old daughter Phoebe.

They had been living in a house rented from St Michael's Church but had leapt at the chance to take one of the new properties.

"It is hard to find the words to express how pleased we are but this is brilliant," said Simon.

"We enjoyed living down the road but we wanted somewhere bigger that we could bring up a family. We have always wanted to stay in Beer and this is a great stepping stone for us.

"We all want local people to be able to stay in the village and have

somewhere nice to live and bring up children.

"The CLT have done this project so quickly and so well and I am sure other communities will come to Beer to see what has been done. We are so happy to be here."

CLT project leader Geoff Pook said the hand-over of the keys to the new home owners and tenants – three are being sold on a shared equity basis and four made available for rent – was an historic moment for the community.

"Beer CLT has proved it can be effective and make a difference," said Mr Pook.

## MP praises CLT work

EAST Devon MP Neil Parish has added his praise to the work of Geoff Pook and the Beer Community Land Trust (CLT).

Parish was a guest at the unveiling of the seven new houses at Little Hemphay, Quarry Lane, on Saturday when several local people were handed the keys to their new homes.

A large crowd of local people and representatives of East Devon companies involved in the construction, which saw the houses emerge from a paper concept to being homes in just two years, turned up for the opening ceremony.

"I would like to pay tribute to everyone involved in putting this project together but in particular to Geoff Pook," said Mr Parish.

"He has provided the leadership and gone through all the administrative hurdles to get these properties built and I think it should be stressed that the quality of these homes is fantastic and they really fit into the area.

"They will be a huge asset to the community of Beer."

Parish said he was impressed by the model that Pook and the CLT had used in raising funds and loans to build the homes.

East Devon District Council provided a loan of £1,060,00 to get the project off the ground and a grant of £200,000 was secured from the Homes and Communities Agency (HCA).

That enabled the CLT to build seven affordable new homes with a mixture of three being sold on a shared equity basis and four made available for rent.

Pook has admitted he and the CLT are now looking for new projects in the village and he will find further support from Mr Parish.

"We are working with Geoff Pook to see what the Government and East Devon District Council and other agencies can do to help develop more affordable homes for local people," added Mr Parish.

## Lions give proceeds to Tesco charity

ON CHRISTMAS Eve the Seaton and District Lions Club spent the day in the foyer of Tesco's in Seaton collecting money from the shoppers going in and out of the store – all of which was to be given to a worthwhile cause.

During the day the Lions team of collectors managed to raise a total of £638. At the January Lions meeting it was decided that all of the monies collected on the day should be donated to Tesco's charity of the year, Diabetes UK.

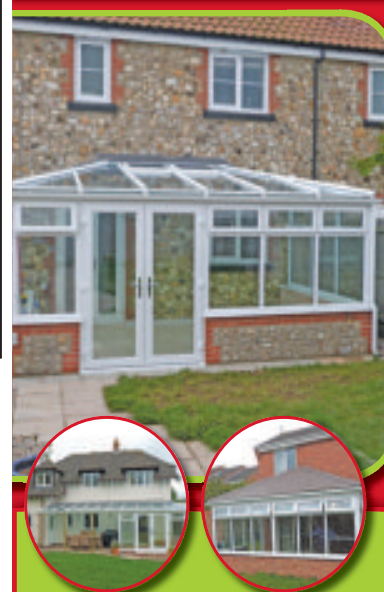

The Seaton & District Lions recently visited Tesco's to present them with a cheque for Diabetes UK and thank them for giving them the opportunity to raise the money.

# Villages 'in the dark' over broadband rollout

COUNCIL leaders and BT bosses have come under fire from furious residents, who say they have been "kept in the dark" over plans to rollout high-speed broadband to remote rural villages.

Business owners based in the heart of the Blackdown Hills, where a multi-million-pound scheme to connect rural communities has not yet been extended, say they are suffering because of the poor service.

Residents from many of the 'black spot' villages packed out the Manor Rooms in Upton last week to question senior figures behind the Connecting Devon and Somerset project – a collaboration between the government, local authorities and BT to bring rural areas up to speed.

The scheme aims to provide superfast broadband to 90 per cent of premises by the end of 2016, but villages including Upton, Rawridge and Smeatharpe have been identified as "out of programme".

At the public meeting last week, organised by Upton Parish Council and chaired by Tiverton and Honiton MP Neil Parish, desperate residents from across the Blackdown Hills criticised the lack of "transparency" and called for straight answers on when the cut-off areas will be connected.

Upton parish councillor Graham Long said the village was not remote because of its proximity to the A303, and that future generations will suffer unless high-speed broadband is delivered immediately.

He said things had got worse since a public meeting was held a year ago to discuss the problems, and called for bosses to look at an alternative technology, known as 'fibre to the remote node', which uses remote 'boxes' to serve a smaller catchment area.

By Jack Dixon

jack@pemedial.co.uk

He said: "We have been told this is currently unavailable. My question is: why? This is not new technology. We need this now. It is already in use in France and Germany. We need this to compete with those countries."

Councillor Long was also critical of the tendering process, which has allowed BT to "call the shots", and that there should be plans in place for 100 per cent coverage.

Somerset County Councillor Ross Henley said CDS has an "urban" rollout plan that is unsuitable for rural communities, and that the Blackdown Hills is being "seriously disadvantaged".

"We have heard again and again about the success of this project, but that is not what I am hearing from my constituents", he said.

"It is almost like the 'emperor's new clothes' – if we say it has been successful for long enough then people will start to believe it."

"Tens of millions of pounds of taxpayers' money has gone into this and many are not getting any benefit at all."

Steve Horner, representing Yarcombe Parish Council, said it was important to get behind the CDS programme but that residents expected transparency and honesty.

And Paul Spearing, from Chardstock Parish Council, said a number of businesses were suffering from "ridiculously slow" broadband speeds. He said local people need to see "action" and not be "fobbed off with excuses."

One resident said his son had almost missed the deadline for his university application because of the poor connection, and had had to ask 12 neighbours until he found one with fast enough speeds

to upload his paperwork.

Councillor Andrew Leadbetter, Devon County Council's cabinet member for economy and growth, said an "incredibly negative spin" had been put on the rollout and that CDS was doing its "absolute best" to bring high-speed broadband to the area.

He said: "We are doing our absolute utmost to see if we can get Upton included sooner rather than later. Broadband is being rolled out – maybe not quick enough for people – but we cannot do it all overnight. Everybody cannot be first."

Paul Coles, BT's South West regional partnerships director, added that the provider would step up its coverage if take-up improved in areas that have already been connected.

"We are reviewing the plan for Upton to see whether it can be done, but I do not have an answer yet – we will communicate an answer when we know it", he said.

"I understand the frustration. If we can get take-up going [in the areas that are connected] then BT will provide even more coverage, over and above the 95 per cent."

"It is important that we send the message out to people who have got access that they take it up. We will push things as far as we can."

MP Neil Parish said things were "moving forward" and that he was confident high-speed broadband would be delivered in the "reasonably near future".

## Recruitment days for hospital nurses and healthcare assistants

AXMINSTER Hospital League of Friends and the Action Group are working with the North Devon Healthcare Trust who are holding recruitment days at Seaton Hospital on Tuesday, February 7th (6pm to 9pm) and at Axminster Hospital on Saturday, February 14th (10am to 3pm).

Registered nurses and healthcare assistants who are

thinking of returning to work are invited to visit the hospitals, meet staff and local people. There will be advice and support and it may be possible to have an interview on the day.

There will be information available, details about refresher courses and updating where appropriate, how to be able to work in a flexible way and information about the local

area if potential staff members are considering a move.

A spokesperson said: "We are very keen to support the recruitment drive for nursing staff."

"We are a lively community with a lot of facilities and activities to offer, and have always been committed to supporting the two hospital and their staff."

# Guesthouse parking permits will come at a price

EAST Devon guesthouses could be offered to buy a transferable, all-year parking permit for guests.

The proposal has been made by officers at East Devon District Council (EDDC) and will be heard by Cabinet tomorrow (Wednesday).

Any such permit will come at a price, though. A precise cost hasn't been given, but the officers' report said: "Permits are not going to be cheap."

EDDC already operates guest permits for Exmouth and Beer guest houses, each coming at £98 and valid for six months.

The report prepared for Cabinet explained:

By Anders Larsson  
anders@tindlenews.co.uk

"The potential loss of visitor pay and display parking revenue and weekly parking permit revenue arising from the supply of the pre-paid 'guest' permits.

"Yes, we may lose income from visitors who are 'given' a permit at the start of their holiday - but those permits are not going to be cheap and we are therefore earning predictable revenue early in the year offset against the possibility of missing out on increased daily and weekly revenue later.

enue later.

"The additional benefit is clearly the possibility of an improved offer from our local bed and breakfast and holiday let businesses attracting more customers and contributing to the local economy."

Referring to the scheme in Exmouth and Beer, the report said: "We have been advised that this is inflexible and that the visitor season is now virtually all year-round.

"We have seen recent demand for similar

arrangements from proprietors of holiday lets locally.

"Whilst it seems sensible to operate on a more business-like basis and respond to this clear opportunity to provide a more flexible service in line with what our businesses are telling us they need, there are always alternatives and those do, of course, involve maintaining the present arrangements and missing a new business opportunity."

Advertiser's Announcement

## FAMILY HOME CAN'T BE SOLD FOR CARE FEES

IN A CASE heralded as a landmark court ruling, a woman has won the right to keep the family home, rather than sell it to pay for her mother's care.

The case centred on whether the County Council, which would otherwise be responsible for funding her mother's care, should take into account the value of the family home.

Where an individual owns assets worth more than £23,250, which will generally include the family home, they must pay for their own care. However, where the property is occupied by certain individuals, including a relative over the age of 60, the value of the home is generally disregarded, so that only cash and investment assets, as well as

income, are taken into account.

The daughter successfully argued that, although she was not actually living in the family home, the property was nevertheless her only or main home. She did not own another property herself (she lived in rented accommodation), still had a bedroom at the family home, kept a number of personal items there, and had always intended to retire there.

The court agreed that the definition of "a home" goes beyond "physical permanent occupation", and is "a place to which a person has a degree of attachment both physical and emotional".

The circumstances of this particular case are quite unusual,

and it remains to be seen how much further the definition of "a home" might extend to other situations.

# U3A branch given talk on Panama Canal engineering

AT the New Year meeting of the Honiton University of the Third Age (U3A) guest speaker Malcolm Eden began by telling his audience that, as a schoolboy, he had an ambition to sail through the Panama Canal.

However, it wasn't until September 2014 that this lifetime quest became reality. He boarded the P&O cruise ship Arcadia at Southampton to cross the Atlantic and so on to the Panama Canal in what was the centenary year of its completion (August 1914).

On a world map he illustrated the advantages the canal had brought to shipping; the previous route being via South America and the treacherous waters around Cape Horn – a distance of 8,000 miles!

Mr Eden explained how two unsuccessful attempts to create a passage had been made, first by the Spanish in the 16th century and then again in the 19th century by the French, led by Ferdinand de Lesseps, the engineer of the successful Suez Canal. However, this attempt came to an end as a result of chronic disease, wiping out one third of the workforce and an eventual lack of money.

Work began on the present canal in 1904 under President Roosevelt and was completed in 1914. Two giant sets of locks were created at either end that raised and lowered ships by 85ft in three stages to the Gatun Lake, a large man made lake, created by damming the Chagres River which then served as the passage between the locks.

Following this brief history, a DVD named "A Passage Through the Panama Canal", was shown giving a vivid illustration as to how these gigantic cruise ships (106ft wide) are

manoeuvred through the narrow locks (only 110ft wide) using small traction vehicles known as mules.

The journey from east to west lasts about 11 hours, from sunrise to sunset and in order to secure the vital daylight passage cruise ship companies are required to pay a \$200,000 bond three months in advance!

Mr Eden was thanked by the chairman for his very entertaining and detailed insight into the engineering phenomenon that is the Panama Canal.

The next meeting of the U3A is on Wednesday, February 18th at the Beehive Centre, Honiton, when Tony Simpson's subject will be "Admiral Thomas Cochrane".

## Radio personality to talk for garden society

COLYTON & District Garden Society is delighted to welcome Anne Swithinbank to its next meeting.

Anne, who lives locally, is well-known for her regular appearances as a panellist on Radio 4's Gardeners Question Time. Her talk on "The Seven Ages of Plants" will no doubt draw on her extensive knowledge and skill as a presenter.

Musbury Garden Club will be joining members at this event at Colyford Memorial Hall at 7.30pm on Wednesday, February 18th. Please bring any spare seeds (packed and labelled) for the Seed Swap and don't forget the Flower of the Month competition.

Located in the delightful seaside town of Exmouth, Rose Lodge is the perfect place for people living with Dementia to experience the highest quality of life.*

Our weekly activities programme includes gardening, live music, drama, singing, crafts, a pub quiz, rambling, art, and trips out, as well as individual occupational activities.

**So, moving into a home like Rose Lodge is the perfect way for you to give your loved one the best quality of life. In our 2011 relatives survey, all relatives agreed that Rose Lodge offers an excellent quality of care and that their loved one's wellbeing has improved significantly since they joined Rose Lodge. All of them said they would recommend Rose Lodge to their friends.**

# Transferring dialysis unit to GPs could have 'unforeseen and dangerous' consequences

■ FURTHER to your correspondent's letter in *Pulman's View From* of February 3rd, entitled "Plans to move renal dialysis unit", as a patient at the Honiton Renal Unit, I would like to add my support to the plea for an investigation into this matter by your newspaper.

I wrote to our local MP, Neil Parish, in December bringing to his attention the fact that patients and clinicians are worried by the proposal to transfer the management and funding of renal units from a specialised unit within central government to local GP's Clinical Commissioning Groups (CCGs). No clear statement appears to have been made as to whether the CCGs would receive the significant additional funding needed to provide this service.

As your correspondent stated, it costs up

to £30,000 a year to treat one dialysis patient and the Honiton unit alone treats around 40 patients at an annual cost of some £1.2million.

As a result this may well have unforeseen and dangerous consequences. For example, decision by CCGs to privatise renal units. The detrimental effect of this can be seen at the privatised Creech Castle renal unit in Taunton, where for example, patients who have to spend up to five hours three times a week sitting still in a chair whilst they receive their treatment are required to provide their own blankets if they feel cold, as many elderly people do when sitting still for extended periods.

No evidence has been provided for the benefits of this transfer or the reason why it is being done. No meaningful consultation

has taken place with renal stakeholders. All who have been consulted appear to have rejected the proposal. Many doubt that this major change can happen in the short period up to April 2015 when it is due to be implemented. It appears that this proposal is being unduly rushed through parliament before the next election against the will of the dialysis community for no obvious benefit.

I asked Mr Parish to respond to the wishes of the renal patients in his constituency and the dialysis community at large by voting against this proposal in the House of Commons. Regrettably, his response was merely to state that he considered the change to be a "sensible and considered approach" (i.e. toeing the party line).

# NatWest did not consider elderly residents when closing branch

■ NATWEST bank is unbelievable! Their advertising slogan is "Hello to simpler, clearer and fairer banking. Goodbye to unfair banking" - not in Seaton apparently!

They do not seem to have taken into consideration the number of elderly residents, who will be greatly inconvenienced and would find it difficult to have to travel to Axminster or Sidmouth to do their banking.

The Post Office is not a suitable alternative. I have just studied the

leaflet the bank have issued, and find to my horror and disgust that any deposit I make there will take longer to reach my account! This is totally unacceptable.

Also, it has come to my mind that one reason for closing this branch is because they do not want to face the prospect of becoming the last bank in town.

Very distressed, elderly resident,  
MRS J. NEWTON,  
The Underfleet, Seaton

# Close call with motorcyclist driving wrong way in Colyton

■ I AM writing this in the hope that it will be read by the motorcyclist who rode the wrong way down the one-way road behind The Colcombe Castle public house in Colyton on Christmas Eve at around 10.30pm.

I and my family were walking from the car park in Colyton to St Andrew's Church when the mentioned motorcycle came out of the Market Place down the wrong way of the one way system straight for us.

At the speed the bike was travelling at, and with no sign of stopping, I and my family had to jump quickly

out of the way to avoid impact. Unfortunately, we were unable to get the number plate so the police could not help, but we noted a white horizontal stripe along the side of the motorbike, and L plates.

If you were the rider or know who it was, let it be said that you/they were very lucky that we were not elderly, or had physical disabilities that would have made it difficult to jump out of the way, otherwise you/they could be facing a very serious offence.

# A Vision for EDDC (with apologies to Coleridge)

■ IN Honiton EDDC, Says its new offices shall be, Far from the town where, as we know, The office workers like to go.

No longer all Knowle's greenery, But superstore and factory.

An Exmouth office, too, a place, Where few will find a parking space. The building looks like an old barn, Not like the dome in "Kubla Khan".

But, oh, the waste of public money, The ratepayers don't think it funny, To build a glass and concrete shed, And trash the park and Knowle instead.

For "Our Great Leader" and his crew,

Have no care for the public's view, Nor badger-sets, nor many a tree, Nor office blocks, built '83.

Nor chambers, used by you and me, Nor weekend tourist parking, free, Nor jobs and trade Sidmouth will lose, Nor all the lovely parkland views.

All sold to builders for a fee, And all for what? For vanity? This council, with no Local Plan, Lets builders build where'er they can.

Yet in my crystal ball I see, A new look for EDDC, Independents there will be, As councillors for you and me.

Come from every town and shire, With the Wright One to remove Swire, Who all will cry "please be aware", We will not relocate somewhere, Based on false claims that there will be "Big" (?) savings made in energy.

We come to bring democracy, And probity, transparency. You all know there's a better way, It's signposted by EDA\*.

So, all you readers, lend a hand, And save our green and pleasant land.

## SPOTLIGHT ON MY SERVICE

*Body-ease*  
the alexander technique

**Return your body to a state of poise, ease and alignment**

'You translate everything, whether physical, mental or spiritual into muscular tension' F.M. Alexander (founder of the Alexander Technique)

If you suffer with pain in your back or neck (or anywhere in fact) the Alexander Technique can help.

As young children we use our bodies with poise and ease. As we grow older, with the various stresses and strains that life inevitably brings, we start to 'mis-use' ourselves which becomes a habitual pattern.

'Mis-use' means we use too much muscle tension and so we become very inefficient in all our movement. Over a long period of time repeated mis-use can cause fatigue and pain. Lessons in the Alexander Technique teach us how to stop using too much muscle tension in our everyday activities and the purpose of the Alexander Technique, which is an education process rather than a relaxation technique or a form of exercise, is to help people unlearn the habitual tension patterns and return the body to a balanced state of poise, ease and alignment, as we were in childhood. The body now feels 'at home' and everyday tasks become effortless, the mind becomes clear and our whole being becomes balanced.

Jodi has been working with horses for 25 years and specialise in teaching riders, although, of course, will teach anyone who would like to learn the Technique.

## The New Volkswagen Caddy

VOLKSWAGEN Commercial Vehicles has unveiled the fourth-generation of its hugely popular Caddy. The third-generation model recorded more than 1.5 million sales around the world during its eleven-year production – a success that the latest generation Caddy urban delivery van, and its passenger carrying brother, intends to continue.

The Caddy's drive systems use state-of-the-art technology, with new EU6 engines providing improved efficiency. The Caddy range is powered by new 2.0-litre, four cylinder diesel engines. The performance range includes: 55 kW / 75 PS, 75 kW / 102 PS, and the top-of-the-range engine a 110 kW / 150 PS. Recording the lowest fuel consumption is the Caddy Blue Motion panel van, specially developed for inner-city deliveries: "With its low fuel consumption of less than four litres per 100 kilometres (70+ mpg), the new Caddy sets a new standard," explained Dr. Eckhard Scholz, Chairman of the Board of Management of Volkswagen Commercial Vehicles.

The new Caddy range will also be available with quiet, refined 2.0-litre, four cylinder EU5 diesel engines: 55 kW / 75 PS, 75 kW / 102 PS and 103 kW / 140 PS.

In its fourth-generation, the Caddy shines in its class for having a high level of safety features. Numerous new safety and comfort features protect the occupants and support the driver. "To achieve this, we have incorporated a large number of driver assistance systems,

which are unmatched in the urban delivery van segment", said Hans-Joachim Rothenpieler, Member of the Board for Technical Development of Volkswagen Commercial Vehicles.

One of these is the 'Front Assist' surroundings monitoring system, including City Emergency Braking. If the driver fails to see an obstacle below a speed of

30 km/h (19 mph), the system automatically applies the brakes, aiming to prevent any collisions. In the passenger carrying variant, Caddy Life, occupants are protected by the use of side and curtain airbags.

Approximately 22 per cent of all accidents involving injuries are collisions with more than one obstacle. In order to minimise the risk related to this scenario, the award-winning Multi-collision Brake System is included as standard in the new Caddy. After a collision, it automatically initiates braking if the driver is no longer able to take action.

Other options which are now available include the 'Light Assist' and 'Driver Alert' systems.

The latter recognises any deviations from normal driving behaviour and recommends to the driver when a break is necessary. Also

available is the option of a heated windscreen, which helps to ensure a permanently good view, no matter the weather.

## Vauxhall to Unleash New Corsa VXR

VAUXHALL will take the wraps off the new Corsa VXR, its ultra-powerful small hot-hatch, at the 2015 Geneva Motor Show in March.

Benefiting from the significant revisions in technology, interior/exterior design and chassis showcased in the recently launched New Corsa, the VXR is set to raise the bar for small, fast hatchbacks when it appears in UK showrooms in May.

Headline performance figures are 0-60mph in 6.5 seconds and a top speed of 143mph – quicker than the outgoing car, but more importantly the VXR produces its 245Nm of torque from lower revs (between 1,900rpm and 5,800rpm, compared with 2,250rpm to 5,500rpm for the outgoing Nürburgring and ClubSport models). This makes the VXR a potent performer between 50-75mph, which it can dispatch in just 6.6 seconds in fifth gear.

An overboost facility provides an additional 35Nm of torque, ideal for swift and safe overtaking. Maximum power from its 1.6-litre turbocharged engine is 205PS, while the

Corsa VXR achieves 37.7mpg on the combined cycle with CO2 emissions of 174g/km.

As before, power is delivered to the front wheels via a second-generation six-speed transmission with a short, fluid gearchange.

Vauxhall has worked closely with damper-supplier, Koni, to develop a new technology, known as Frequency Selective Damping (FSD) for the new Corsa VXR. FSD allows damping forces to adapt to the car's movements, ensuring that body control is maintained when the car is driven fast, but ride quality is optimised at lower speeds. In addition, the car's ride height has been lowered by 10mm all round.

For the first time, Vauxhall is offering a two-stage switchable electronic stability programme (ESP) and traction control (TC) with the Corsa VXR. In Competition Mode the traction control is inactive, while the ESP is relaxed to allow less intervention. For track use, the ESP can be fully disabled.

Revisions have been made to the new Corsa VXR's steering, making it more direct and precise, with improved feed-

back through the wheel. Michelin 215/45 R17 tyres are standard, as are 308mm front brake discs.

Standard bi-xenon lighting and a choice of six exterior colours help the new Corsa VXR stand out in its class. An aggressive new front-end design features large air intakes and an aluminium-framed opening below the headlights. A small scoop is located below the bonnet and side-sill extensions enhance the Corsa VXR's performance credentials still further. At the rear, a rear spoiler provides meaningful downforce over the back axle, and twin Remus exhaust pipes further distinguish it from regular Corsas.

Six exterior colours – including Flash Blue, which

is unique to the Corsa VXR – are available for the Corsa VXR. The car's cabin has standard Recaro seats, a leather, flat-bottomed steering wheel, sports pedals, as well as a VXR gear-lever and instruments. A heated front windscreen and Intellilink connectivity for Apple iOS and Android smartphones are also standard.

# Local football round-up

## Vikings fell nine-man Okes with late winner Tigers toil as Lambs leap to victory - Beer misfiring

**SOUTH-WEST PENINSULA LGE**  
**Sidmouth Town 4 Okehampton Arg 3**  
THE home-side very were good value for the win in this seven goal thriller.

Sidmouth gave a first start of the season to reserve team goal keeper Dec Lines who replaced the injured Charlie Ledger and they bossed the early proceedings with Mark Pavey and Ashley Small causing the visitors numerous problems.

It was no surprise when the Vikings took the lead in the 15th minute through Pavey who picked up the ball 25 yards out before jinking past two defenders and slotting home.

The hosts looked in complete control and should have been out of sight before Okehampton equalised through Ross Voadon on the half-hour.

Sidmouth dusted themselves down and soon hit back, this time left winger Tony Cox delivered an inch perfect cross for Riki Pitter to head home his 12th goal of the season.

Right on half time Sidmouth were made to pay for not converting some earlier chances as Jason Cordyce bundled the ball home to make it 2-2

The visitors took the lead on the hour courtesy of a Dale Chadwick free-kick. Sidmouth introduced Cameron Vere into action on the 65th minute and the former Exmouth Town player soon had the ball in the net only to be ruled out for a very dubious offside decision.

This did not deter the Vikings and they were soon level as Small netted with a powerful curling effort.

Sidmouth committed bodies forward in an attempt to punish the tired looking visitors and five minutes from time they were rewarded when substitute Mike Pidgeon headed into the top corner.

This goal completely deflated the visitors who by now had lost their discipline and ended up having two players sent off for two dangerous tackles.

The Vikings welcome Alphington next Saturday.

**Tavistock 4 Axminster Town 1**  
AXMINSTER Town remain four points adrift at the foot of the South-West Peninsula League Division One (east) table after their win less run was extended to 10 games by a 4-1 reverse at Tavistock.

But joint-manager Keith Somers was pleased with his side's effort: "They (Tavistock) were by far the best team we have played this season. But we matched them for an hour and 4-1 flattered them. "Our performance would have been enough to have won against most teams."

Ax took the lead in the 20th minute when Ben Vine netted with a fine lob over the home keeper.

But a defensive error on the brink of half time saw 'The Lambs' level.

Some fine goalkeeping prevented Ax grabbing a second after the interval but a lack of concentration handed the hosts the lead which they never relinquished.

Tavvy struck twice late-on to seal the win.

Somers gave a mention for Elliott Dyer who was 'brilliant' in defence and Vine "Ben ran his socks off in a lone striking role on what was a huge pitch."

Next up for the Tigers is Saturday's visit by title contenders Galmpton United

### D&E LEAGUE REPORTS Elmore 3 Beer Albion 0

#### Premier Division

WITH a couple of regular players missing, Beer Albion were well beaten at Elmore on Saturday in a performance which was typical of their season thus far.

One of the Fishermen problems has been their inability to create goal-scoring opportunities, with just 20 goals in 18 league matches.

Defensively they have looked OK and

the midfield players always work hard but they just lack a player with the ability to link-up play and provide the forwards with quality possession. On Saturday, the Albion posed very little threat to Elmore's back line

The first 30 minutes was evenly contested but once Elmore got their noses in front, it was one-way traffic.

The home side were 1-0 up at half time and added a couple more after the restart to win comfortably.

But for another good performance by the Beer keeper, Steve Jones the margin of defeat would have been more than 3-0.

The Albion will be hoping for a better outcome in their next game at the Furzebrake on Saturday when they entertain unbeaten Elmore in a Premier Division clash (3pm ko).

The Match sponsors are *Morgan Heating Maintenance - Maintenance & Service, Boilers, Fires, Cookers.*

### Hemyock 3 Colyton 3

#### Division Two

COLYTON travelled to Hemyock looking to maintain their lead at the top of Division Two but the hosts had other ideas and produced a battling performance on a heavy pitch in which both sets of players struggled to play any decent football.

The hosts opened the scoring in the 15th minute but Coly hit back straight away with a George Moore strike from the edge of the area. The visitors then took the lead before half-time when Cal Somers netted his 20th of the season from close range

But back came Hemyock who equalised following a goal mouth scramble.

Colyton thought they had won it when Somers was fouled in the area. Marc Potter resulting penalty was saved but he followed up to score making it 3-2.

But back came the plucky hosts to snatch a late equaliser and a deserved share of the spoils.

### Axminster Res 2 Axmouth Utd 1

AXMINSTER started the match creating numerous chances, but the back of the net eluded them right until the stroke of half time when an inswinging corner was met by Ben Williams with a glancing header to put the Tigers ahead.

There was plenty of goalmouth action at both ends in the second half and gradually Axmouth came back into the game and only some fine saves by Jack Walker in the Tigers' goal denied them an equaliser.

With 10 minutes to go Axmouth were awarded a penalty for handball against Callum Garrett which was tucked away.

But the Tigers grabbed the winner in the last minute from another corner which was nodded home by Olli Pearse.

### Beer Albion Res 1 Exwick Villa 0

#### Division Six

BEER Reserves remain unbeaten at the Furzebrake this season but had to battle hard for a 1-0 win.

The visitors started strongly and Beer keeper Shaun Gould kept his side in the game with four excellent stops the best of which was from a point blank effort.

The Fishermen had to absorb a lot of pressure and in a rare counter-attack Tom Neale shot just wide after a strong run by Will Bradbury.

The Albion looked a different side after the break and Exwick were lucky to survive a penalty appeal on 55 minutes for what looked a "nailed-on" hand-ball.

Two minutes later Beer took the lead when Bradbury headed the ball into the path of Simon Smith who struck a half-volley from 18 yards into the top corner.

Beer continued to dominate proceedings until the 70th minute when centre

back Josh Moughton clashed with an Exwick forward and was sent off for retaliation.

But The Fishermen held out however to take the three points.

Smith covered every blade of grass, but match sponsor THE CLOTH SHOP awarded man-of the match to keeper Shaun Gould.

### Pinhoe Res 0 Offwell Rangers 6

#### Division Seven

IN-FORM Offwell put in an impressive performance once they got to grips with the home midfield trio.

From there they dominated and created chance after chance. Ashley Trudgeon netted his third hat-trick in as many matches with the other goals coming from Daniel Williams (2) and Jamie Westwood.

Player manager Scott Phillips said: "I'd like to thank the lads for their patience, it takes a while to get a brand new team and I'm sure if there wasn't so much stuff to sort out with the club at the start of the season it would have happened even sooner."

"We've got a very strong squad of players now and it was good to have Brad Spiller and Dean Thomas back and both played well."

### Round-up with Collin Goodwin

TIVERTON TOWN clung on to their two point Premier leadership with a hard earned 2-1 victory at EXETER UNIVERSITY.

Richard Groom and Ben Ashford were the Yellow's marksmen.

Second place HEAVITREE UNITED won 2-0 in their derby against NEW-TOWN, thanks to Freddie Kingdon and an own goal.

Unbeaten HATHERLEIGH TOWN stepped up their challenge with a big 3-0 victory against FENITON. Greg Mitchell with a brace and Jake Rowe found the Fenny net.

TOPSHAM TOWN drew 2-2 at WIL-LAND ROVERS with Rian Antat and star man Jordan Bastin scoring. THORVERTON won 9-0 at BUDLEIGH SALTERTON with Lee Radford getting four goals. Aaron Street scored twice but Budleigh did not really fold until they had a man sent off just before half-time.

In Division Two EXETER UNIVERSITY made progress at the top with a single goal win against SIDMOUTH. Robin Bjalon scored.

Division Three leaders EXMOUTH TOWN had to settle for a 2-2 draw at CHAGFORD whose Davon Friend equalised in the last minute.

HENRY'S CRONIES warmed up for next weeks big cup tie with a 6-1 lashing of TEDBURN ST MARY. Mike Benyon their star man with a hat-trick.

OTTERTON took over the Division Five leadership from FLUXTON after edging their rivals 2-1. Kev Pitt had the winning goal.

No let up for OTTERY ST MARY the Division Six leaders as they won 4-2 at the RAILWAY CLUB.

### Feniton 4 Seaton Town 3

#### East Devon Senior Cup (L16)

A LATE own goal by Seaton Town player-manager Mike Hancock decided last Wednesday's East Devon Senior Cup tie as Feniton booked a place in the last eight.

Chris Wellman had given Seaton an early lead in the game which was played under the floodlights at Budleigh Salterton's Greenway Lane ground.

But Fenny turned things around to lead 2-1 before Jake Richards squared things up only for the Blues to edge their noses in front at 3-2 at the interval.

Martyn Hancock grabbed Seaton's sec-

ond equaliser but their hopes were dashed by the unfortunate late OG.

## bowls honiton

### Honiton holding their own

HONITON bowlers competing in the individual national entries this year have won through to eight Area 31 finals. Area 31 being all Devon clubs except Plymouth who are in Area 32 writes Julie Grant.

Most of the Area 31 finals had to be contested on an away green and five of them at Torquay United against current England and recently retired England International.

So well done to the defeated finalists in various disciplines, Shirley Hiscocks, Berry Maynard, Carol Smith, Sue Evans, Steve and Lynda Dommett, Julie Grant and Ann Brown. Especially well done, though, to Kieran Daniels who won his Area final in the under 25 singles but then lost to Area 32 in the next round.

Honiton still have players in the Generation Pairs. The ladies still have to play, the national quarter final of the Yetton Plate against Bexhill-on-sea at Winchester on St Valentines Day.

Recent mixed friendly matches have had mixed outcomes, winning two, losing one away.

Honiton 85 CREWKERNE 41 - top rink Scott Eveleigh, Gina Morfe, Leigh Batten, Bill Nicholls 26-5.

Honiton 69 NEWTON ABBOT 56 - top rink Berry Maynard, Paul Gadd, Keith Parsons, Linda Gadd 27-11.

Honiton 81 TAUNTON DEANE 84 - top rink Bob Mackintosh, David Downs, Alan Fuller, Gerry Stafrace 26-10.

### Lewis leads Juniors

LEWIS Burrage was the winner of the FEBRUARY JUNIOR HANDICAP taking 15:56 with Caleb Sinclair 2nd, 18:28; Flo Swann 3rd, 15:02; Imogen Waterhouse 4th, 16:03 and Oliver Rodger 5th, 13:22. Lewis now leads the junior rankings with 21 points with Caleb 2nd, 20 and Flo 3rd, 19 points.

Milly Hart was the Senior handicap winner in a new PB of 33:10 with Canny Hart 2nd in 33:14 beating her PB by exactly a minute.

Meanwhile Gillian Peach came 3rd, 29:55 a new PB by nearly two minutes; Clare Hansford 4th, a PB by 34 secs and Ian Apps 5th, 21:29 a PB by 23 secs. Clare has a clear lead in the Senior rankings with 40 points with Milly 2nd, 24 and Canny 3rd, 22.

Emma Kiernan ran the HESTERCOMBE HUMDINGER Half marathon finishing 32nd in a great time of 1:40:06.

Bright sunshine and a cool morning greeted competitors at the Sidmouth Running Club's FOUR TRIGS CHALLENGE.

This was a 25K event and the object was to visit each of the four Triangulation Pillars around the Sid Valley. Although runners were able to choose their own routes, they had to visit each Trig Point in order.

The early trails were helpfully frozen so the big climbs along the coast path east of Sidmouth were firmer than usual making for excellent running.

The inevitable variations in route on the self-navigated course resulted in some snakes and ladders, however the pacy prowess of last year's Grizzly winner Ceri Rees was not to be denied, he powered away to victory along the sea front in 2:15:17.

AVR James Green's rich vein of form continues: he was with Ceri to the sea front and held on to finish 2nd in 2:15:49. Tim Lenton was 4th, 2:30:31 and Patrick Devine Wright 7th, 2:25:20. Patrick is running all 630 miles of the South West Coast Path for Charity in April and with this in mind he decided to run a second lap of the course straight after completing the first! Eleanor Wood was 30th, 3:14:07 and Roger Bramley 37th, 3:19:44.

# Hawks still in with a chance

WITH 10 of their 15 games played leaders Otters hold a three point cushion over Flamings thanks to a convincing 59-11 win over bottom side JD Tyres who are still searching for their first win.

With Tracy Moran controlling her sides play from centre, the Otters led from the start and although Tiffany Munt worked hard for JD she could not stem the tide.

Flamings kept up the pressure with a 49-13 win over Tip Top Trees for whom Phoebe Confrey was the star. With Katie Corbin playing well, the Flamings proved too strong and led from the off.

Both Upwoman and Hi Q had hopes of a top two finish, and they have enjoyed close games to date. Hi Q led 8-4 at quarter time with Upwoman having reversed it to 12-11 by half way before Hi Q with Sadie Moran and Emma Truscott playing well gained the upper hand. Although Andrea Britton worked hard for Upwoman it was Hi Q who took the spoils with a 26-22 win.

SIGNS South West maintained pole position in Division Two with a comfortable victory over Blackdown Ladies.

With Nicola Lang having a good game, SSW proved too strong for Blackdown for whom Kirsty Selway turned in a fine performance.

SSW once again scored consistently to finish victors by 38-14.

Otter Valley maintained their second spot thanks to a 27-14 win over A&P Pixies.

With Rose Derryman having another fine game, Otter were 21-9 ahead going into the final period and it was looking as though Pixies wouldn't gain a point. Sara Pearce had other ideas and inspired A&P to a strong finish that just earned a losing point.

After an up and own start to the campaign Howden Hawks have recently hit form and a close fought 32-28 victory over fellow promotion hopefuls Sidmouth Toucans keeps them in promotion contention.

With Lucy Davies playing well Sidmouth led 13-4 at quarter time. By half time the Hawks had reduced the arrears to 14-19, and in the third period moved 22-21 in front.

The final quarter was keenly contested but with Bea Bandyszewska in fine form for Howden at GD, they kept the Toucans attack at bay to confirm their 3rd place.

## Missed chances prove costly

## Honiton 13 Bodmin 19

HONITON entertained Bodmin who are the team one place below them in the league on a bitterly cold Saturday afternoon writes *Roger Dance*.

The reverse fixture saw the Cornishmen win comfortably however with home advantage and a good win last week the Lacemen had high hopes of gaining revenge.

Honiton started with the Allhallows advantage and looked to be on top and they should have recorded two kickable goals in the first ten minutes but both were narrowly missed.

The hosts also squandered several chances to cross the line after and final passes had gone.

They did take the lead on the 30 minute mark when Webber found his range with a penalty but Bodmin took advantage of Honiton relaxing and nipped down the blind side for an opportunistic try moments later. They added to this with a well struck penalty to go 8-3 up.

Honiton bounced back as half time loomed and it was Ben Small who crashed over to level the scores at 8-8 at the interval.

Now defending the slope, Honiton must have been kicking themselves for their earlier missed opportunities especially as the Bodmin goal kicker put them further ahead with a well struck penalty soon after the turnaround.

Honiton did get their noses ahead with a well worked try that Stephan Archer dotted down but the visitors bounced back with another penalty to go 14-13 up and it was now clear it was going to be a dog fight in the mud to the final whistle.

Unfortunately for the Lacemen it was the visitors who had the final say as the scored again right on the final whistle.

Honiton will be very disappointed with this result as it was clearly a game they should have won and as stated, they will rue the missed chances, especially in the first half, when they could have put the game to bed.

Honiton have no game on Saturday but they do have a difficult long away trip to Bude in two weeks time.

## Honiton Tigers (U8s)

THE Tigers claimed their best result of the season as they entertained neighbours Exmouth at Northcote Lane on Sunday.

In muddy, cold conditions, Honiton fielded two teams and played a total of six matches against the well-supported Cocks, winning three, drawing two and losing one.

Ewan Powers-Maguire claimed five tries in his side's opening game, but it wasn't enough as they slipped to a 9-8 defeat. Tom Phillips (2) and Jake Giles also crossed the line.

Powers-Maguire and Giles also dotted down in the second game but this was the Finley Backhouse show as he scored a double hat-trick in a 8-8 draw.

The tries were shared amongst the whole team in the final game, a 10-9 success, as Powers-Maguire (3), Giles (3), Backhouse, Phillips, Dylan White and Charlie Pickering scored.

Robert Hennessy, Josias Drew, Jake Carter, Alexander Goody, Alfie Terry, Henry Devin and Dylan Burrough made up the other Tigers team as they opened up with a comprehensive 11-5 win in their opening game with each player being on the scoresheet.

Honours were even in the second game as Drew (5), Burrough (3) and Devin (2) earned a 10-10 draw but they returned to winning ways with a 8-6 victory in their final game as Hennessy (3), Drew (2), Terry, Burrough and Devin scored.

A massive thanks to Ray Hennessy and Paul Drew for leading the boys in the absence of regular coaches Jon Hannay and Adam Kent.

## Honiton Rhinos (U7s)

A MASS of mud couldn't prevent Honiton Rhinos from enjoying a series of games against their Exmouth counterparts.

Harry Haysom did well on debut while Jack Daulton was making a welcome return from injury.

Taylor Prettyjohn, in only his second game, created a try and produced some great tags in defence. Ellie Sparks and Jake Downs scored a record number of tries in the matches they played.

More great tagging and tries came from Eiren Enticott, George Pemberton, Sam Olliff, Reuben Lidster, Hamish Terry, Jack Hodder and Logan Symons.

The Rhinos face a home game against Bridport on Sunday and will be looking to continue the good work they have been doing in training under coach Jason Hannay.

## Golfers battle through bitter conditions

## AXE CLIFF

with *Helen Kenworthy*

WITH the frost on the ground and a keen east wind blowing the conditions were far from welcoming for the Axe Cliff Seniors' February Stableford competition.

The scores showed that cold hands do not make for good golf even if players are fortified by flasks of tea and coffee.

At the head of the field was John Hanna (23) with 34 points. Trailing in his wake with 31 points each were John Pugh (19) and Tony Strong (8) separated only on the countback ruling.

Tony was lucky to survive an onslaught from his playing partner whose tee shot hit him on the leg!

The rest of us were just glad to complete the round and return to the warmth of the clubhouse.

Rob Heard and Keith Wilson recorded the only twos of the day.

The Ladies and Men also had the bitter conditions. Men's results for their February Medal; Div.1 - 1st R.Gibbons nett 70, 2nd Alex Palmer nett 73 (on back nine) and 3rd Craig Trivett nett 73.

Division Two; 1st Kevin Turner nett 68, 2nd Bob Gray nett 74 (on back nine) and 3rd Nigel Garwood nett 74. Geoff Greenslade made the only two.

HONITON with *Andy Wagner*  
Monthly Stableford

IT seems the two divisions were playing different courses this month with Division Two finding all the short cuts.

Hayden Banfield has long been noticed as a talented player through his Winter league exploits with his Dad Ian but the pair played exceptionally well on Sunday.

Hayden took the field with an incredible 50pts. Dad Ian was trailing in second with what should have been a match winning 41pts.

Steven Key's very creditable 40pts could only manage third. Division One was no less sparkling with junior Haydon McCance taking pole position with 38pts.

Ben Phillips was second with 35pts ahead of Alan Devenny on count back.

## Tuesday Mixed

DESPITE the winter weather the Tuesday Mixed Competition still had 28 members in action.

This week the format was American Foursomes Stableford with the three "heads of sections" participating and all in the winning circle.

In first place with 41 pts on c/b were Penny Blackburn partnering Ron Graham.

In 2nd place losing out on c/b were Jane Watts and Paul Ritchie.

In 3rd place with 39 pts were Sue Ritchie and Mike Watts and in 4th with 37 pts were Olwen Eaton with husband Bill.

## Ladies Section

THE Ladies faced challenging conditions last Wednesday for their Yellow Ball Stableford competition with the frozen course leading to some very unpredictable bounces.

They played in drawn teams of three - one from each division - silver, bronze one and bronze two.

Each player in the team used a yellow ball for one hole in turn starting with the silver player.

Two scores counted for each hole with any points scored with the yellow ball counting double, so losing the yellow ball was to be avoided.

Considering the conditions, some very respectable scores were returned; 1st - Chris Pearce, Penny Blackburn & Susan Hyde with 114 points. 2nd - Henrietta Bradshaw, Stephani Barnes & Jan Portlock with 107 points. 3rd - Jane Watts, Lesley Oxenham & Jan Dickinson with 102 points. 4th - Anne Davies & Chris Luttman with 101 points (including nine courtesy points for playing as a two).

## Seniors Section

FIFTY one players took part the monthly Stableford plus Eclectic in freezing temperatures.

Result - Division One: John Frith 38, Dave Morgan 35, Howard Clark 34, Paul Ritchie 33, Mike Ward 33.

Division Two: Bill Eaton 40, Bill Phillips 37, Alan Rowley 37, George Smith 36, Keith Thomas 36.

As there were no twos Captain Ron Graham drew cards. Jim Wallis, Brian Morrison, Bill Eaton.

## school sport sidmouth college netball

THE Sidmouth College U13 netball team took part in the first day of the U13 East Devon netball league recently.

Their first match was against King's School, Ottery St Mary and, after a nervous start with some basic passing errors, a quick reminder from coach Mrs Malton to stay calm and use all three seconds available to give a decent pass saw the girls step up a gear to take the match 2-1.

Next up the team took on Axe Valley.

Buoyed from the initial win the girls showed exactly how competent they are at choosing and delivering successful passes and won the game easily 7-0.

◆ **OFF TO A FLYER:** The Sidmouth College U13 squad; Millie Jarrett, Jasmine Scott, Eve Badcock (player of the game against King's), Emma Seward (player of the game against Axe Valley), Emilia Smith, Eve Cockayne Cottrell, Daisy Hall, Siona John and Emily Rich.

## youth football round-up

## Millwey Rise U10s through to Cup Final

SEATON Under 9s continued to build on their strong recent performances by winning both their matches on Saturday. First up they beat HEAVITREE 4-0 in a really impressive team performance.

They were solid at the back with Adam Clinch superbly leading the back line and Kieran Jaycock showing once again what a fine keeper he has become.

The attack play was devastating, Aaron Hale (2), George Gait and Leo Gribble scored the goals and all three linked up well throughout the game.

PINHOE were next to feel the sting of a side brimming with confidence as Seaton ran out 5-1 winners. Hale (2), Gribble and Gait again got on the scoresheet.

Christian Pinnock capped a fine debut by scoring his first and Seaton's fifth.

Thomas Brown controlled the centre of midfield and linked well with his team mates. Billy Fowler and Max Nevell never gave Pinhoe's attackers any space.

Ottery St Mary Under 9s travelled to Tiverton on Saturday to face two well-organised teams.

First up were CS LIONS who battled hard against the Otters but the cBlues had the edge over them and conquered most of the possession.

Frazer Wickers opened the scoring and The Otters scored twice more through Freddie Clarke and then were awarded a penalty which was superbly executed by Jake Blackmore.

Next to face the Otters were TIVERTON MOORS who went ahead twice with two fortunate strikes but on each occasion were brought level by the hard battling blues and two wonderfully taken goals again by Freddie Clarke.

The Moors then edged 3-2 ahead and looked set for victory until a superbly timed run and wonderfully executed strike late in the game from Jack Carpenter brought the scores level and the game ended in a very fair 3-3 draw.

Otters team; Zak Wilkinson, Ashleigh Whitcombe, Jake Blackmore,

Sam Gleeson, Jack Carpenter, Tom Bath, Frazer Wicker, Freddie Clarke and Finlay Giles.

Goalscorers were; Freddie Clarke (4), Jake Blackmore, Jack Carpenter and Frazer Wickers.

SEATON Town Under 13s played in the knock-out stages of the League Plate competition at Cul-lompton.

Seaton had a very good morning and were unbeaten in their four matches, winning against West Exe Wolves, Newton Knights and Heavitree FC and drawing with hosts Cullompton.

Goal scorers were; Reece McCabe, Edward Kenworthy and William Hellier.

The team played well together with Alfie Tucker Vincent putting on a strong performance in goal, the team will face Cullompton in the semi-final.

Seaton faced another struggling Division One side, Brixington Blues on Saturday.

Kenworthy broke the deadlock for the Greens just before half time.

In the second half Brixington piled on the pressure and equalised when the Seaton defence eventually cracked.

But Seaton responded and Reece McCabe missed a couple of good chances before he eventually beat the Brixington keeper to score the winner in a 2-1 victory.

Team; A. Tucker-Vincent, B. Bush, P. Alphonse, E. Richardson, J. Davey, J. Fenner, A. Bullmore, W. Hellier, B. Yeo, E. Kenworthy, R. McCabe, subs - M. Dack, M. Heron, M. Moulding.
